***Information Disclosure Statement***

1. The two foreign references "AS" and "AT" in the IDS filed 7/10/2001 have been considered. A review of the file reveals that the IDS filed July 10, 2001 included an English-language version of International Search Report (ISR) for International application No. PCT/JP00/07973 (the International application from which this National Stage application takes priority). Such ISR listed both references identified as 'AS" and "AT" in the IDS filed July 10, 2001 and included "A" indication associated with each which implies that the cited references merely define the general state of the art but no particular relevance to the claims. Accordingly, the IDS is in compliance with 37 CFR 1.98(a)(3)(i). It is also noted (upon a thorough review of the file) that the IDS filed July 10, 2001 is fully compliant with 37 CFR 1.97 and 1.98.

2. Relevant 1449 form is enclosed.
